

Tips for gathering your HHW for safe disposal

- Seal containers tightly.
- Bring items in their original containers inside a sturdy box.
- If original container is leaking or damaged, transfer or place into a compatible, sealable container no larger than 5 gallons and re-label.
- Don't mix products together.
- Containers such as gasoline cans will not be returned at mobile events.

Accepted items include:

- automotive products
- antifreeze
- batteries
- CFL light bulbs
- fertilizers
- flammables
- fuels
- hazardous cleaners
- hazardous liquids
- household cleaners
- lawn and garden products
- paint
- pesticides
- photographic chemicals
- pool chemicals
- solvents
- thinners
- used oil

NO:

- electronics
- explosives
- yard waste
- commercial waste
- pressurized gas cylinders
- controlled substances
- tires and appliances

REGIONAL

Household Hazardous Waste

COLLECTION PROGRAM

IT'S YOUR HOME.
MAKE IT SAFE.

Residents of member communities may attend any of the collection events.

How you can safely dispose of toxic household products

About the Regional HHW Program

The Regional HHW Collection Program provides members with convenient access to proper HHW disposal. If you live in a participating community, you may take HHW products to the permanent collection facilities in Kansas City, Missouri, and Lee's Summit, Missouri, free of charge. You may also attend **ANY** of the mobile collections held throughout the year. **Proof of residency is required.**

For information on Kansas area facilities, visit **RECYCLESPOT.ORG** or call **816-474-TEAM**.

**RESIDENTIAL WASTE ONLY,
NO BUSINESS WASTE ACCEPTED**
including nonprofits, churches, home-based businesses and rental property owners.

Store batteries properly

- Place batteries individually in a clear plastic bag or tape battery terminals with clear tape.
- Never disassemble batteries.
- Store damaged, defective or recalled batteries in kitty litter or sand.
- Store all batteries at room temperature.

Dead batteries can release toxic substances and catch fire if not properly stored and recycled.

Recycle all batteries

Common battery types and uses:

- Single-use: TV remotes, toys and watches.
- Rechargeable: Phones, laptops and rechargeable tools.
- Lead-acid: Gas-powered vehicles such as cars, motorcycles and ATVs.
- Hybrid & EV: Hybrid and electric cars.
- E-bike & e-scooter: Electric bikes and scooters.

Safely recycle batteries through the **Household Hazardous Waste program**
