

REQUEST FOR PROPOSAL

**Public Works Department
City of Harrisonville, Missouri**

RFP-2019-03

Invitation

The City of Harrisonville, Missouri invites qualified roofing contractors to provide price proposals for the services as described herein.

Proposals must be received at the City Hall, 300 East Pearl, P.O. Box 367, Harrisonville, Missouri, 64701, marked **“Lawrence Smith Airport Main Hangar Roof Repair”**. Proposal must be received no later than: **2:00 P.M., on Thursday, October 17, 2019.**

For information contact: Eric Patterson, Public Works Director at (816) 380-8964 or FAX Number: (816) 380-8910

SUMMARY OF REQUEST

Project Description

The City of Harrisonville is seeking responses from experienced and qualified roofing contractors for the repairs at the Main Hangar at the Lawrence Smith Memorial Airport.

The Project consists of providing services to evaluate and repair the roof of the Main Hangar. The Lawrence Smith Memorial Airport is located approximately 1.5 miles south of the city near the intersection of MO Route 7 and Interstate 49. Contractors wishing to inspect the hangar shall contact Eric Patterson at (816) 380-8964 to schedule a site visit.

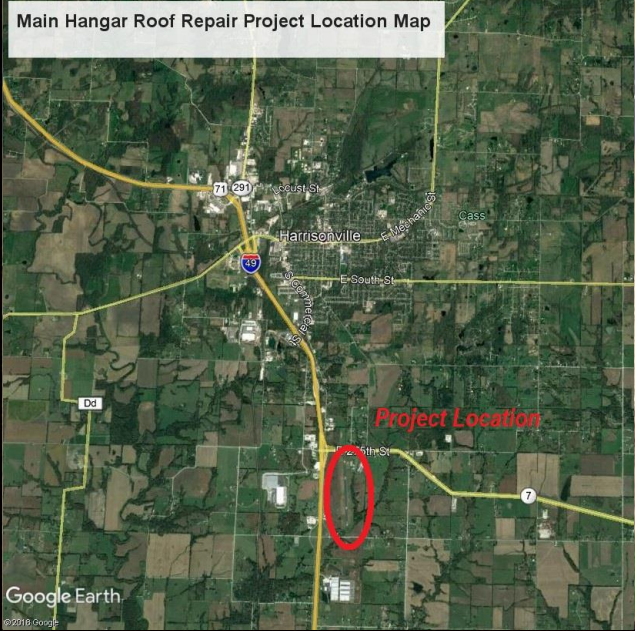

Submitted proposals will detail the repair means and methods along with a lump sum cost; Contractors may provide contingencies for unknown conditions. The City will make the selection based upon the qualifications, best proposed repair procedure, warranty, and price. Insurances required shall include general commercial liability, automobile, bodily and property liability, builder’s risk, and workman’s compensation. This project will not require Prevailing Wage Rates.

SCHEDULE

The Contractor shall define in the proposal their schedule to complete the repairs.
