Why Charitable Funding

The Harrisonville Parks & Recreation Department is known as a “stewardship accountable” operation with a well-trusted reputation of public funds management. To support the additional ideas and recreation needs of our citizens, the Parks & Recreation Foundation (HPRF) was established through the Truman Heartland Community Foundation in order to meet the expressed needs of our citizens.

Harrisonville joins other park departments throughout the nation who have seen their parks systems flourish with the support of citizens who wish to give more to their community.

The Dog Park Fund is a separate fund within HPRF, and all proceeds will go towards the building of the Harrisonville Dog Park.

Harrisonville DOG PARK PROJECT

Mission Statement:

To develop a beautiful, well-maintained space open to all dog lovers and friends who are willing to uphold the park's rules and restrictions.

About The Project

Dog parks are at the top of the list for Parks & Recreation facility requests across the country, and the Harrisonville Dog Park would bring another great park feature to the citizens of Harrisonville.

The Harrisonville Dog Park Project was established in order to raise funds for a dog park in Harrisonville's City Park. Because the Harrisonville Parks & Recreation Tax renewal does not start until 2023, a Dog Park Committee was approved by the Park Board and fundraising efforts have begun. The Park Board transferred seed funding from the Park Foundation in order to start the Dog Park Fund in Harrisonville.

THE HARRISONVILLE DOG PARK COMMITTEE IS ASKING FOR YOUR HELP TODAY!

As soon as the funds are raised, the dog park can be built!
