small branch trimmings, and other small plant debris. Please place these items in biodegradable, paper bags or in a separate container that is plainly marked Yard Waste or "YW". Brush or tree trimmings must be cut in lengths no longer than 4 feet and securely tied in bundles weighing no more than 50 lbs. each. Up to 10 bags of yard waste will be accepted from residential customers each week, between April 1 and October 31. Set everything out on your regular collection day. It will be collected on the same day as household trash, but not necessarily by the same truck or at the same time. **(Rock, dirt & concrete won't be picked up.)**

Help Keep Our Sidewalks Clear — One more thing. After your trash and yard waste have been picked up, please remove your carts from the sidewalks. This insures our walkways are clear for pedestrians, students, parents with strollers, runners, those who are walking their dogs, etc. Thank you for your help!

Utility Deadlines — The City of Harrisonville would like to make residents aware of the final deadlines for payment of past due March and April accounts.
 March Monday, March 25, before 5 p.m.
 April Thursday, April 25, before 5 p.m.
 After the deadline, any past due account will be charged a \$50 administrative fee, additional deposit fees as applicable, and scheduled for disconnection. If you have questions about the City’s utility payment policy, please call City Hall, 816-380-8900.

Maintaining Our Creeks — The City of Harrisonville would like to thank everyone who has been checking on our local creeks and working to clear them of trash and blockages before the spring rains arrive! Regular maintenance can go a long way towards preventing flash flooding. If you have a creek or stream adjacent to your property, please take the time now to check it for any potential problems.

Citywide Garage Sale! — While it may not feel like it right now, we promise you, spring is on its way! And here in Harrisonville, that means it’s time for the Citywide Garage Sale! This years garage sale will be the first weekend in May. That’s Friday, May 3, and Saturday, May 4. We would like to remind residents who plan on hosting sales that garage-sale signs are allowed on their own property but should not be placed in the public right of way on public corners.
